

A NAUSEATING COLLECTION

RACHELE LABRECQUE — SAULT STAR

KENDRA ADDISON, 17, looks at a collection of cigarette butts she had collected. Addison was a member of the Algoma Youth Action Alliance who picked up butts to demonstrate to the community the need to step up and support for Sault Area Hospital's smoke-free policy. More than a dozen local students for three hours picked up butts on the hospital property. For more photos log onto: www.saultstar.com
