

Building Youth – Adult Partnerships: Tool Kits and Training Manuals

Creating Youth-Adult Partnerships: Training Curricula for Youth, Adults and Youth-Adult Teams

- Creating Youth-Adult Partnerships leads youth and adults new to group facilitation and to youth-adult partnerships through a 6-8 hour training to build their capacity to work together in true collaboration. The 156-page step-by-step curriculum includes detailed scripts, activities, and evaluation materials.

Youth-Adult Partnerships: A Training Manual

- The 256-page manual explores the foundations of effective youth-adult partnerships and includes nuts and bolts skill development activities. Provides activities and resources that guide more experienced trainers and practitioners of all ages through the process of engaging youth and adults equally and authentically to create community change.

Collective Leadership Works: Preparing Youth & Adults for Community Change

- This 181-page tool kit draws upon the collective experience, work and spirit of phase II of the Kellogg Leadership for Community Change project. The resources in the tool kit can be used by both youth and adults who are interested in creating, leading, facilitating, or participating in asset-based community development, community building, or social justice efforts. These lessons can benefit groups at any stage of development, from building readiness for collective leadership to strengthening existing relationships.

Asset Activist's Toolkit: Handouts and Practical Resources for Putting Assets into Action 2005, 306 pages, 8.5 x 11, 3-ring binder

- The Asset Activist's Toolkit offers you a variety of fun, concrete, and practical ideas to distribute. You'll get effective handouts that will help you incorporate the asset message into any setting—presentations, small groups, or individually—and specific asset-building ideas for every sector of your community—education, media, government, health care, banks, juvenile justice, and child care, just to name a few.

Building Community: A Tool Kit for Youth and Adults in Charting Assets and Creating Change

- This 234-page facilitator's handbook makes it possible for individuals and groups everywhere to bring an asset-based approach to creating positive change in their communities. Filled with concrete activities and real-life case studies, the Building Community Tool Kit provides practical information about creating youth-adult partnerships, mapping assets, creating community visions and plans, and mobilizing local change.

Learning and Leading: A Tool Kit for Youth Development and Civic Activism

- This research-based tool kit provides practical training activities and tools on civic activism as a strategy for developing personal, community, and organizational leadership. It includes promising practices, vignettes, and training materials.

Creating Change: How Organizations Connect with Youth, Build Communities, and Strengthen Themselves (duotang)

- This booklet explores the complex links between youth development, community engagement, and social justice. The Innovation Center has been studying these links through partnerships with local and national organizations, universities, foundations, and businesses. We are learning what works in big cities, small towns, and rural communities.

Youth Engagement: A Celebration Across Time and Culture – A Discussion Guide (duotang)

- From October 17-19, 2005, the Kellogg Foundation, in celebration of its 75th Anniversary, convened a seminar of youth activists and their adults partners from across various generations, cultures, and social movements to share and build on the lessons and experiences of youth engagement. As a result, the Innovation Center created three tools to support youth and adults interested in leadership and community change.

Youth Engagement: A Celebration Across Time and Culture – History Wall and Action Planning (duotang)

- This 2-hour, highly participatory activity is designed to engaged youth and adults in dialogue and creative activities that will elicit a shared understanding about a community's history of youth engagement and the power and wisdom of each participant's experience as a youth leader.

Pass It On: Ready-to-Use Handouts for Asset Builders, Second Edition

Jolene L. Roehlkepartain 2006, 8.5 x 11, 176 pages, softcover. Includes CD-ROM. Pass It On! is geared for any audience, the 90 reproducible handouts include an introduction to Developmental Assets; ideas for individuals and groups; tools for community initiatives; Tips on using books, videos, and magazines to build assets. A section on grouping the handouts helps leaders get the right information to specific groups, whether at home, at work, or in the community.
