

Represents Algoma Public Health's Youth Friendly, Empowering Environment, in which

- Organizational leadership committed to YED
- Youth Engagement Coordinator helps build organizational capacity, cultivates community partnerships, increase opportunities for youth at APH.
- APH staff apply YED principles and practices and consult with Youth Engagement Coordinator to identify opportunities to increase YED in respective initiatives/ programs, and obtain the appropriate resources and support.

Algoma Public Health's Youth Engagement and Development (YED) Model
