

Program Evaluation and Youth Engagement

Reflect and Improve: A Tool Kit for Engaging Youth and Adults as Partners in Program Evaluation

- This practical, easy-to-follow tool kit is designed for adult and youth staff at youth development and youth civic engagement organizations. It guides readers as they:
 - assess their organizational needs for evaluations
 - design evaluations to fit their organizational goals
 - use evaluation data to report to funders and other community stakeholders

The tool kit prepares both young people and adults to engage in a process of reflection, learning, analysis and decision making.

Getting the Outcomes with Developmental Assets: Ten Steps to Measuring Success in Youth Programs and Communities

Deborah Fisher, Pamela Imm, Mathew Chinman, Abe Wandersman 2006, 8.5 x 11, 348 pages Paperback + CD-ROM

- *Getting To Outcomes* is based on 10 accountability questions that embrace a comprehensive approach to results-based accountability. Each step is illustrated with examples from Search Institute and its national Healthy Communities • Healthy Youth initiative, a network of nearly 600 community organizations. Included with the manual is a CD-ROM with worksheets, forms, and tools for community development workers. **Visit the website:** www.search-institute.org/getting-outcomes-developmental-assets
