- Please fax this form to your local Algoma Public Health office. Complete ALL fields to avoid a delay in processing your vaccine order.
- Please consider your refrigerator capacity when planning orders. Maintain no more than a one-month supply in your vaccine fridge at a time. Depending on the size of your vaccine refrigerator, inventory may need to be reduced to a 1-2 week supply to prevent overcrowding.
- Trained pharmacists may only administer publicly funded vaccine to individuals 5 years of age and older.
