<ul style="list-style-type: none"> Please fax this form to your local Algoma Public Health office. Complete <u>ALL</u> fields to avoid a delay in processing your vaccine order. Please consider your refrigerator capacity when planning orders. Maintain no more than a one-month supply in your vaccine fridge at a time. Depending on the size of your vaccine refrigerator, inventory may need to be reduced to a 1–2 week supply to prevent overcrowding. Trained pharmacists may only administer publicly funded vaccine to individuals 5 years or age and older.

By submitting this order form, I verify on behalf of the practice:

- Refrigerators have maintained temperatures between +2°C to +8°C and temperatures are documented twice daily
- Four weeks of temperature logs are attached
- All temperature excursions outside of +2°C to +8°C (if applicable) have been reported to and recommendations regarding usage of the effected vaccines have been implemented by the practice
- A contingency plan is in place should a power outage and/or cold chain incident occur, including vaccine coolers and extra temperature monitoring devices
- Pick-ups are second Fridays between 9am - 12pm & 1pm - 4pm
